This picture is of me and my roommate Allison Smith. We have been friends since we played on the same soccer team in high school. Allison went to Paint Branch High School and graduated in 2005. She double majors in Spanish and Linguistics with a French minor. We play in the intramural soccer coed league three seasons a year. Allison enjoys visiting foreign countries and her favorite has been Mexico. She has also been to Germany, Spain, Italy, London, Turkey, Costa Rica, and Canada. I am glad that she has been my friend and roommate because we have a lot of fun together!
