

Juliane Birke CPSP218G

Digital Image Processing Software Proof of Concept Exercise

My Experience in ELT so far.....

*What I learned in this course,
has been a great source
of knowledge about the science.*

It is a great reliance.

*Some of these things include,
but are not limited to:
evolution, scientific method, stones,
language, history and old bones.*

*There are also field trips which are fun
you appreciate being out in the sun.*

*Surely, all in all I would choose ELT again
because next week we discuss the food chain.*
