Data Set

- LiveJournal: <http://www.livejournal.com/>
- Sample blog: [mkincaid](#) [jbarr76](#)
- Sample friends page: [dlv78](#)
- Sample user info: [cranmikey](#) [kommie](#)

Visualization

- Table view
- Map view
- Matrix view

Interface

- Sliders
- Text boxes
- Selecting widgets
- Glazing
- Interaction between widgets

Demo

Conclusion

- Matrix view allows us to visualize several dimensions at once
- Map view allows us to add location information to distance information
