551 : smart.
552 : ... And uh,
553 : ... (H) it's called,
554 : .. yeah.
555 : It's called The End of Nature,
556 : ... and it's just really a @scary @book.
557 : You know.
558 : (H) There's (H) no natural world left.
559 PETE: .. Right.
560 MARILYN: All the natural world was go=ne in nineteen seventy-five,
561 ROY: ... [His premise is basic]ally this.
562 MARILYN: [and now XXX],
563 ROY: ... That,
564 : .. um,
565 : ... as soo=n as the world hit a point,
566 : ... where ... there was no more ... objectively pristine .. land.
567 PETE: .. Unhunh.
568 ROY: .. When=,
569 : you know,
570 : ... they [found] pollution on top of Mount Everest,
571 PETE: [Right].
572 : mhm.
573 ROY: ... and at the very bottom of the ocean.
574 PETE: .. Right.
575 ROY: .. <FOOD Well,
576 : that's it FOOD>.

577 PETE: .. [Mhm].
578 ROY: [Man] has had .. some effect.
579 : ... On the entire absolute absoluteness of the globe.
580 PETE: .. Right.
581 ROY: .. So in principle,
582 : ... the concept of nature,
583 : as a system inside of which man lives,
584 : .. [is over].
585 PETE: [Mhm],
586 : .. Right.
587 ROY: .. And then,
588 : .. in practice,
589 : .. since then,
590 : which was fifteen years ago,
591 PETE: .. mhm,
592 ROY: ... <MRC man has had such MRC> dramatic impact,
593 : .. on ... what we used to think of as nature,
594 : .. (H) that,
595 : ... (Hx)
596 : ... that the only way to coexist with nature- --
597 : It's no longer,
598 : ... nature,
599 : .. the quasi religious,
600 : .. overarching,
601 : ordering principle,
602 PETE: Right.
603 ROY: in[side of which ..] mankind lives,
604 MARILYN: [Wordsworthian nature].
605 PETE: M[2hm2].
606 ROY: [2and2] uh-,
607 : you know,
608 : ... w- .. a a thing that we can all rely on as a balancing force,
609 : .. over and above ourselves,
610 : .. to order the universe.
611 : [Forget] all that.
612 PETE: [Mhm].
613 MARILYN: Woo that's spi[2cy.
614 ROY: [2It's now,
615 MARILYN: Shit.
616 : (THROAT)2]
617 ROY: .. you know2],
618 : the world is gonna be [3kept in order by the same3] people that brought you,
619 MARILYN: [3(COUGH) (COUGH)3]
620 : (COUGH)
621 ROY: [you know],
622 MARILYN: [(COUGH)]
623 ROY: the atomic [2bomb,
624 PETE: [2Right2].
625 MARILYN: [2[(H)=2]
626 ROY: and2],
627 MARILYN: (COUGH) [3(COUGH)3]
628 ROY: [3a113] @that @stuff.
629 : [4Right4]?
630 PETE: [4Right4].
631 ROY: .. [5Which just5] doesn't sound like a very practical ... proposal.
632 PETE: [5Yeah5].
633 MARILYN: ... Wow.
634 ROY: ... You know,
635 : the same people brought you the extinction of all the large mammals in .. [Europe] and America,
636 PETE: [X].
637 MARILYN: .. [2And the dodo2].
638 ROY: [2are now en2]trusted with,
639 PETE: ... [3main3]taining [4what's4] [5there5],
640 ROY: [3XX3]

641 MARILYN: [4The4] [5rest of the natural world5].
642 ROY: [5maintaining the en5]tire globe,
643 : .. for the [6rest of6] time.
644 PETE: [6mhm6].
645 : Right.
646 ROY: ... Not likely.
647 MARILYN: .. Mhm.
648 ROY: ... So,
649 : .. that was his .. basic premise.
650 : And then he goes on,
651 : for the rest of book,
652 : to [absolutely],
653 MARILYN: [Then <X it X> gets really] depressing @.
654 ROY: [2heartless2][3ly3],
655 PETE: [2@0h2] [3@good3].
656 MARILYN: [3@3] [4@@@4] [5@=
657 PETE: [4@ @oh @gee @4]
658 ROY: [5heartlessly debunk,
659 MARILYN: You haven't heard nothing,
660 : yet5].
661 ROY: all5] of the,
662 : you know,
663 : watery-eyed,
664 : .. new age,
665 : ... uh,
666 : various theories,
667 : ... [of --
668 MARILYN: [Gaia,
669 : and all that stuff].
670 ROY: .. of how it might] .. not .. be that way.
671 PETE: Right.
672 ROY: ... <FOOD You know,
673 : .. so,
674 PETE: Unhunh.
675 ROY: ... forget it,
676 : .. forget it,
677 : .. [forget] it.
678 PETE: [Right].
679 ROY: ... We're fucked FOOD>.
680 PETE: ... Mhm.
681 MARILYN: .. Well I read it in the New Yorker,
682 : and I thought,
683 : <Q oh no,
684 : one of those New Yorker articles,
685 : you know,
686 : .. [yuck Q>].
687 PETE: [<X Right X>].
688 MARILYN: And I --
689 : .. It was really --
690 : .. I read the whole thing,
691 : which is pretty rare @.
692 : ... Well my my.
693 ROY: .. So I mean,
694 : .. but his premise is not that mankind can't .. survive on Earth.
695 PETE: .. Right.
696 ROY: ... His ques[tion is],
697 MARILYN: [<X It's just X> it's a whole] different earth.
698 ROY: can man[2kind2] spiritually survive,
699 PETE: [2Right2].
700 ROY: .. (H) in .. a ... metaphysical world,
701 : in which it is patently obvious,
702 : that man is the highest ... active ... principle.
703 PETE: .. Mhm.
704 ROY: .. You know.

705 : ... Outside of,
706 : ... completely faith-based belief in God,
707 : ... you know,
708 : which is,
709 : ... % irrespective of any .. relationship to nature,
710 PETE: .. Mhm.
711 ROY: .. there is now,
712 : absolutely nothing,
713 : .. in the world,
714 : ... to which we are beholden.
715 : ... And he w- --
716 : his question was,

721 MARILYN: @[@]
722 PETE: [Right].
723 ROY: of --
724 : of the human species.
725 MARILYN: Mhm.
726 ROY: ... Do we even want this.
727 PETE: [Right].
728 ROY: [Do we] want to be the guy in charge of the world.
729 MARILYN: ... [2Unhunh2].
730 PETE: [2On2] the other hand,
731 : isn't he saying its too late?
732 ROY: ... Well he is kind of saying its too late.
733 PETE: So,
734 ROY: This is why its such a depressing book.
735 PETE: right.
736 ROY: .. He's saying,
737 : we already did it,
738 : .. and we haven't [even thought about,
739 MARILYN: [So much for culture].
740 ROY: whether we] wanted to do it [2or not2].
741 MARILYN: [2@2]
742 PETE: .. Right.
743 MARILYN: .. This is typical.
744 PETE: .. Yeah.
745 : .. You know,
746 ROY: ... And --
747 : and then it gets down to s- --
748 : you know,

759 MARILYN: Yeah.
760 PETE: [Did- --

765 PETE: [okay].
766 MARILYN: Are they [2good2]?
767 PETE: [2That's2] good.
768 : ... Alright.

769 MARILYN: ... Yeah.
770 : ... [<VOX Yeah= VOX>].
771 ROY: [You know],
772 : saving the whale,
773 : or saving uh ... the .. polar bea[=r,

775 : .. Pandas],
776 ROY: or making sure there's enough] grizzly bears,
777 : that's fine.
778 PETE: ... [mhm].
779 ROY: [But] --
780 : but,

884 MARILYN: [Oh God].
885 PETE: It's really neat.
886 MARILYN: You mean,
887 : ... not made out of gold,
888 : [just] --
889 PETE: [No].
890 MARILYN: .. Oh.
891 PETE: .. I mean,
892 : it's this X- --
893 : it's [called the Gold Room].
894 MARILYN: [Well aren't you neat].
895 : Look at those little ends,

978 : [Yeah].
979 PETE: [Oh that's] interesting.
980 ROY: And actually when you see it,
981 PETE: Un[hunh].
982 ROY: [when] you see them,
983 PETE: [2Right2].
984 ROY: [2you can2] .. imagine,

990 : [Hunh]?
991 PETE: [yeah].
992 ROY: ... That looks like enough salad.
993 PETE: ... Oh I get it.
994 : ... ~Mar went out to put the --

996 : .. Is that what was going on?
997 MARILYN: ... What?
998 PETE: .. You were watering with that?
999 : Is that what you were doing?
1000 MARILYN: .. Yeah.
1001 PETE: .. Yeah,
1002 : .. that's good.
1003 MARILYN: Perfect water,
1004 PETE: Unhunh.
1005 MARILYN: ... actually,
1006 : you know,
1007 : I'd love to do gray water,
1008 PETE: ... [Mhm].
1009 MARILYN: [here],
1010 : .. but,
1011 ROY: ... It's [illegal].
1012 MARILYN: [it's illegal].
1013 PETE: .. Really.
1014 : .. How rude.
1015 MARILYN: ... Isn't that [retarded]?
1016 ROY: [Isn't that weird]?
1017 PETE: (THROAT)
1018 : ... It is.
1019 : ... They just built a .. a great big gray water processing center,
1020 : .. at the laundromat,
1021 : .. in the .. complex where I live.
1022 MARILYN: .. Oh.
1023 PETE: It's like right outside our back door.
1024 : .. There's all [these] huge machines and stuff,

1025 ROY: [~~X Great m- X~~] --
1026 PETE: that like .. filter it and all,
1027 : and then it --
1028 : ... They're going to like,
1029 : .. pump it into their .. watering system,
1030 : for the ... [apartment complex].
1031 ROY: [Gray water systems] are local to,
1032 : ... I mean you get your own.
1033 : .. You don- --
1034 : It's not like a .. big [system] some[2where2].
1035 PETE: [Right].
1036 : [2Yeah2].
1037 ROY: You get your own [3gray water3] system.
1038 PETE: [3Right3].
1039 : .. Yeah.
1040 MARILYN: [Yeah,
1041 PETE: [But this is like] --
1042 MARILYN: but .. it's a] .. complex.
1043 PETE: .. Right.
1044 : .. Cause,
1045 : .. this is this apartment complex,
1046 : and there's the .. laundromat,
1047 : .. and they just ... dump the water,
1048 : ... from that ~~X and everything X~~.
1049 MARILYN: .. ~~FOOD Well laundry's the best way,~~
1050 : and showers.
1051 : .. I guess ~~FOOD~~.
1052 ROY: ... The best way=,
1053 MARILYN: .. To get gray water.
1054 PETE: Right.
1055 : Well I would think you wouldn't want to,
1056 : .. ~~X think X~~ what might go down in the sink and stuff.
1057 MARILYN: ... You wouldn't want to what?
1058 : ... Well,
1059 : ... I guess,
1060 : .. I guess it's more,
1061 : that- --
1062 : .. It's not that you don't want it on your lawn,
1063 : it's that you don't want it sitting around.
1064 : .. [Before] it goes on your lawn.
1065 PETE: [Right].
1066 : .. Right.
1067 MARILYN: ... Stuff from ... the sink.
1068 PETE: .. Yeah.
1069 MARILYN: ... Cause the stuff from the sink,
1070 : would be great ... for your lawn,
1071 : [if it could] get right out there.
1072 PETE: [Right].
1073 : .. Yeah,
1074 : but then it would be sitting there,
1075 : sort of .. decomposing,
1076 : or doing its thing all over the lawn,
1077 : instead of in a nice little .. compost pile.
1078 MARILYN: [Yeah].
1079 PETE: [So that's],
1080 ROY: Well?
1081 : ... [2Mm=2],
1082 MARILYN: [2Well not if you were care2]ful.
1083 : ... I mean,
1084 : ... you know,
1085 : if you --
1086 : if you --
1087 : ... if you didn't have,
1088 : ... if you were really careful about your [dishes],

1089 PETE: [Right].
1090 MARILYN: and [2scraped em2] off,
1091 PETE: [2Yeah2].
1092 MARILYN: and it was [3just3] .. X runoff.
1093 PETE: [3Mhm3].
1094 : Yeah.
1095 : .. <X Well X> that would be good.
1096 : ... Cause [all] of that stuff should go into the compost pile to begin with.
1097 MARILYN: [But] --
1098 : .. Yeah.
1099 : .. (H) Actually,
1100 : you know,
1101 : .. Zeke the sheik .. is a local.
1102 : ... You know,
1103 : the guy whose compost pile blew up?
1104 PETE: ... Oh no I don't know a[bout this].
1105 MARILYN: [Didn't you hear] about him?
1106 PETE: [2No2].
1107 MARILYN: [2It --
1108 : it2] caught fi- --
1109 : <PAR Here finish these up PAR>.
1110 : ... It caught fire,
