

## Homework revision policy

If you would like to re-do your HW, turn in by the day of the first class following the one where I discuss the original:

-the revised one (pdf), named Familyname\_HWn rev where n is the HW number.

**-for each substantial change (i.e., more than correcting typos) a few sentences indicating what you now know or understand that you didn't before.**

I will then grade the revised one, and replace the original grade with the new grade.
