

LING610 Homework revision policy

If you would like to re-do your HW, turn in by the assigned date:

- the revised one (pdf), named Familyname_HWn rev where n is the HW number.
- for each substantial change (i.e., more than correcting typos) a few sentences indicating what you now know or understand that you didn't before. THIS PART IS REQUIRED.**
- Please highlight the new material somehow, e.g., by using a different color font.

I will then grade the revised one, and replace the original grade with the new grade.
