

“The appearance of this fine, meticulously annotated, translation by Alice-Mary Talbot and Denis Sullivan will be welcomed not only by Byzantinists, but perhaps even more so by students and scholars in the related fields of western medieval and Islamic history.”

“All the many challenges posed by the *History of Leo the Deacon* are ably handled by the translators.”

“The translation itself reads well—no small feat considering the florid Greek in which Leo composed his work. Readers will be especially grateful for the annotations which explain the nuances of Leo's vocabulary and clarify the meaning of the text in many places.”

“The scholars involved in preparing this translation deserve congratulations for an impressive, immensely helpful addition to Byzantine scholarship.”

Eric McGeer *The Catholic Historical Review* Volume 93, Number 1, January 2007 pp. 145-146
